TBK Bank, SSB Image Card Program

These terms and conditions for the TBK Bank, SSB Image Card Program (“Terms”) are separate from your other TBK Bank, SSB account documents. TBK Bank Image Cards are available to customers qualifying for a Personal Mastercard® Debit Card. By submitting an image to be considered for use on your Debit Card, each cardholder (“you”) agrees to the following Terms.

By requesting a TBK Bank, SSB Image Card and submitting an image of your choice, you give TBK Bank, SSB permission to use the image on the card and agree to indemnify, defend and hold TBK Bank, SSB officers, employees and contractors harmless from and against any damages, loss, costs, expenses (including court costs and attorney’s fees) incurred by or asserted against TBK Bank, SSB caused directly or indirectly by the use of the image and this service.

TBK Bank, SSB reserves the right to add to or modify these Terms and to terminate the TBK Bank, SSB Image Card issued to you, at any time, in its sole discretion.

TBK Bank, SSB reserves the right to reject any image (includes a photograph) submitted, in our sole and absolute discretion. You may not submit images that are unacceptable.

A custom image on your card does not imply any additional security and, when appropriate, you should expect to show photo ID if requested. If you should lose your card or believe the card has been stolen, call (800)472-3272.

There is a \$10.00 fee for each uploaded full image or identity photo card. The fee will be deducted from the primary account you have listed on your card. If you do not have enough funds to cover the fee(s), your TBK Bank, SSB Image Card request will not be processed. You agree to destroy your old card once you receive your new TBK Bank, SSB Image Card and hold TBK Bank, SSB harmless from any loss as a result of NOT doing so.

Once your debit card has been issued with a custom photo, subsequent reissues of the card upon expiration will be issued with the image previously uploaded. If the card is reissued due to the card being lost or stolen, the replacement card will have the standard TBK Bank card design. Should you wish to upload a new photo to be used on your card reissue, please do so at least two months (60 days) prior to your card expiration date. Do not upload a new photo if fewer than two months remain until your card expires.

If you do not wish to have your card reissued with a custom image, please contact us at least two months (60 days) prior to your card expiration date.
